

# Recycling with the Igloos

## Remember to Reduce and Reuse before you Recycle

### Clear Plastic

- ◆ ONLY CLEAR plastic containers with the #2 recycling symbol.
- ◆ These include milk and water jugs.
- ◆ Remember to remove the caps and rinse the containers clean before recycling. Also, crush them to save space in the igloos.

*Please DO NOT deposit colored plastics in the Red Igloos, use the Blue Igloo for colored plastics. Please do not place any type of lid in the igloos. Please take shopping bags to Shop & Save. Light-block milk jugs should be placed in the blue igloo.*

### Colored Plastic

- ◆ ONLY COLORED plastic, narrow mouth containers with the #2 recycling symbol.
- ◆ These include detergent, bleach, shampoo, dish liquid, oil containers, and light block white milk containers.
- ◆ Remember to remove the caps and rinse the containers clean before recycling. Also, crush them to save space in the igloos.

*Please DO NOT deposit wide mouth containers like cool whip, plastic coffee cans, butter or any type of lid in the igloos. Please take shopping bags to Shop & Save.*

### Newspapers & Telephone Books

- ◆ Newspapers, telephone books and newspaper inserts.
- ◆ Leave loose, do not tie or bundle, and keep the paper as dry as possible.

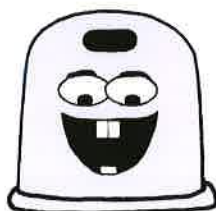

*Please DO NOT include any other paper; such as, office paper or cardboard in the igloos.*

### Magazines & Catalogs

- ◆ All magazines and catalogs.
- ◆ Leave loose, do not tie or bundle, and keep the paper as dry as possible.

*Please DO NOT include any other paper; such as office paper or cardboard in the igloos.*

### Tin & Steel Cans

- ◆ Includes food cans, empty & dry paint cans, aerosol cans.
- ◆ Please ensure the cans are rinsed clean.
- ◆ Paper labels are OK.

*Please DO NOT include aluminum cans, aluminum foil or food trays.*
