

The Town of Washburn Annual Report

Fiscal Year Ending January 31, 2020

About the Cover

The Town of Washburn Annual Town Report
this year is in dedication to

The Washburn Rotary Club

The pictures on the cover are just a few of the photos taken of the

American Veterans Traveling Tribute Wall.

What a wonderful weekend that was and
great privilege it was to have the
honor of hosting this in the Town of Washburn.

It was a great benefit to many, many people
throughout the entire County and it
could not have been possible without the hard work of

The Washburn Rotary Club

and the many donations from so many
people and businesses around the County.

Dedication

Cindy Richendollar, Larry Harrison, Charlotte Griffin, Dana Woodman, Hollie Umphrey, Michael Umphrey. (Absent Kermit Fuller)

The Washburn Rotary Club

This Organization has done so much over the years for our Community.
Though they may be small in numbers they are very mighty when it comes to organizing events.
They are a critical part of this Town.

Just to name some of the events that they are involved in or responsible for include:

- Sponsoring the local Boy Scout Troop 177
- Annual Purple Pinkie Day Raising Awareness for Polio
- The Annual Hunters Breakfast
- The Annual Flag Retirement Ceremony
- The New Veterans Park
- The Washburn August Festival
- The Mill Pond Project
- Helping to Place Flags at the Local Cemeteries Before Memorial Weekend
- Food Boxes for the Needy at Thanksgiving and Christmas
- The Aroostook River Fun Run
- And last year the unremarkable feat of raising enough funds to host
The American Veterans Traveling Tribute Wall honoring the Vietnam War Veterans.

*Many Thanks to The Members of the Washburn Rotary Club
and All They Have Done to Contribute to The Town of Washburn.*

Please consider joining this wonderful organization today.

SCHEDULED TOWN COUNCIL MEETINGS

The Washburn Town Council meets in regular sessions on the second Monday of each month at the Washburn Civic Center. If the second Monday falls on a holiday, the meeting is moved to the following Monday. Unless otherwise posted, meetings start at 7:00 pm. The public is cordially invited and encouraged to attend. Agendas are posted no later than the Friday before the meeting at the Washburn Town Office, Washburn Post Office and on our Website

www.washburnmaine.org

The scheduled regular meetings for the year 2020/2021 are as follows:

February 10, 2020	August 10, 2020
March 17, 2020	September 14, 2020
April 13, 2020	October 19, 2020
May 11, 2020	November 9, 2020
June 8, 2020	December 14, 2020
July 13, 2020	January 11, 2021

RULES AND ADMINISTRATION

Dear friends,

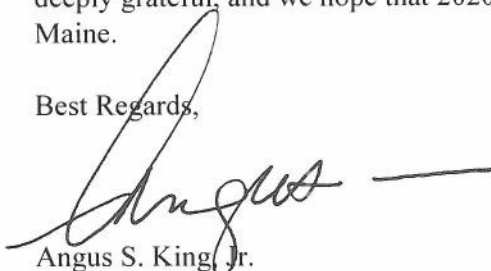

The beginning of a new year provides the opportunity to reflect on the progress of the past 12 months. If you've been watching cable TV, you might think that every waking moment of 2019 in Washington has been consumed by divisive, partisan issues – and while there's no shortage of those debates, there have also been opportunities for bipartisan cooperation. You sent me to the Senate to make the most of those opportunities, so as we enter into the New Year, I wanted to take a moment to update you on my efforts to work with members of both parties to make life better for the people of Maine.

One of my most important priorities this past year has been emphasizing preventive healthcare. Maine's distinction as the oldest state in the nation brings us wisdom, of course – but it also creates unique challenges, particularly relating to healthcare. The key to addressing these obstacles is being proactive, because the cheapest, safest medical procedure is the one that doesn't need to happen. That's why I've introduced legislation to incentivize healthier living, expand mental health screenings, and help more Americans access regular check-ups. We're making progress, but we've got a long way to go – and I'd like your help, because I know that the best ideas are the ones that come from families and communities on the front lines of these challenges. To strengthen this effort, I convened a policy forum on prevention in Bangor in October, which has already given me exciting new ideas that I'll carry with me into 2020. If you have additional thoughts on encouraging preventive healthcare, please share them with my office.

This year has also continued the growth of Maine's forest products industry – a key focus of my work to revitalize Maine's rural economy and communities. We've seen significant investment in mills across the state, creating good jobs to support rural Maine. I'm also pleased that the investments aren't just in our mills – the industry is thriving because of its commitment to innovation. We're fortunate to have the University of Maine's top-notch researchers exploring cutting-edge ways to use our forest resources, including capitalizing on the rise of 3D printing technology with the world's largest 3D printer. Combining this work with ongoing federal support, our vast forests, and Maine's dedicated workforce, I know that the future of this industry is bright, and I'll continue working to support it on all fronts.

I'm proud of all we've accomplished together this year, but even as I reflect on all that we've achieved, it is challenging to not think of the work left undone. It sometimes can be discouraging to watch these important priorities hang in limbo, but fortunately for me, encouragement is never far. After all, I get to live in Maine – which means I get to count Maine people as my neighbors and friends. I'm always struck by the kindness that our citizens show not only to me, but also to each other. This focus on collaboration and compassion is an inspiration, and it powers my efforts bring a little bit of Maine common sense to Washington. Thank you for all you do to for our state – Mary and I are deeply grateful, and we hope that 2020 will be a good year for you, your family, your community, and the State of Maine.

Best Regards,

Angus S. King, Jr.
United States Senator

Jared Golden
Congress of the United States
2nd District of Maine

Dear Friends,

I hope this letter finds you well. It is an immense honor to serve as your representative in Congress. I take very seriously the responsibility that has been placed on me, and I would like to take this opportunity to share with you some of what I've been working on in my first year in Congress.

At the beginning of this term, the House passed H.R. 1, a comprehensive package of reforms I cosponsored to get big money out of politics and fight corruption in Washington. And in December, I helped pass H.R. 3, the *Lower Drug Costs Now Act*, which would limit out-of-pocket prescription drug costs paid by seniors, fund the expansion of Medicare coverage to include dental, vision, and hearing, and lower prescription drug prices for thousands of Mainers. Additionally, as a member of the House Armed Services Committee, I worked to ensure our annual defense authorization bill supports America's national security and Maine's shipyard workers, National Guardsmen, manufacturers, and universities.

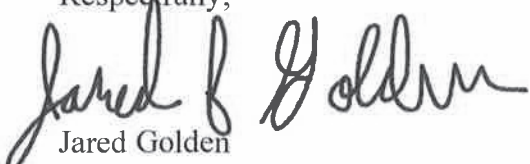

On top of working on this legislation, I have also been advocating for our district directly to administrative agencies. I have been fighting for Maine lobstermen to urge the president to intervene in proposed regulations by the National Oceanic and Atmospheric Administration (NOAA) that would hurt our lobster industry. I pressed government agencies to ground their regulations in sound science and data when crafting new regulations on Maine's lobstermen. I also persuaded the Army Corps of Engineers to hold a public hearing in Maine about the proposed Central Maine Power NECEC transmission line, which gave hundreds of people the opportunity to voice their opinions about the project.

Some of the most important work of members of Congress is rooted in on-the-ground constituent services. We have three offices in the district -- in Caribou, Bangor, and Lewiston -- and my staff work tirelessly to help Mainers solve problems they may face with federal government agencies. I urge you to stop by to talk to us in person and let us know how we can better serve you and your communities.

My favorite part of the job is coming home to the district and hearing about what matters to you. This year, I brought a hearing of the House Small Business Subcommittee on Contracting and Infrastructure to Maine to find ways to expand access to rural broadband. I've also held open town halls and coffee hours throughout the district to hear directly from Mainers veterans, as well as roundtables to find more ways to help small businesses in Maine grow and create jobs.

As always, please continue to reach out to me and my staff if you'd like to voice an opinion, let us know about a local event, or seek any assistance with federal agencies.

Respectfully,

Jared Golden
Member of Congress

CHAIRMAN
APPROPRIATIONS
HEALTH, EDUCATION,
LABOR, AND PENSIONS
SELECT COMMITTEE
ON INTELLIGENCE

Dear Friends,

As 2019 ends and 2020 begins, I am pleased to report that Congress made progress on a number of issues important to Maine families despite the polarization in our country.

In a major win for surviving military and retiree spouses to whom we are deeply indebted, I was proud to co-lead the repeal of what is often referred to as the “Military Widow’s Tax,” an unfair offset of survivor benefits that has prevented as many as 67,000 surviving spouses—including more than 260 from Maine—from receiving the full benefits they deserve.

The high cost of health care and prescription drugs continues to be a top issue for families and seniors. To provide continued relief for more lower- and middle-income individuals, I led the charge to extend for another two years the medical expense tax deduction that I included in the 2017 tax law. Without this extension, nearly 20,000 Mainers and millions of Americans with high medical expenses, including many with preexisting conditions, would have faced an increased tax burden. In other good news, the CREATES Act I cosponsored became law. It will prevent pharmaceutical companies from blocking access to a sufficient supply of brand-name drugs needed for the studies that allow less expensive alternatives to enter the marketplace.

Improving people’s health and wellbeing remains my priority. On a per capita basis, Maine has the highest incidence of Lyme disease in the country. In August, I held a Senate hearing at the University of Maine’s Tick Lab on this growing public health crisis. A comprehensive public health strategy to combat this epidemic is needed, and the new law I authored will do just that.

In addition, I helped champion another \$2.6 billion increase for the National Institutes of Health, our nation’s premiere biomedical research institution, including significant boosts for Alzheimer’s disease and diabetes research. Last year, NIH funded more than \$111 million for research at 14 Maine institutions.

To help prepare the graduates of Maine Maritime Academy, I secured \$300 million for a new training ship, which will ensure rigorous instruction for MMA students for decades to come.

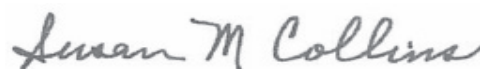

Significant federal funding was approved for work at Bath Iron Works and Portsmouth Naval Shipyard. Funding appropriated by Congress will pay for three new destroyers, make a down payment on an additional ship, and finance infrastructure improvements at PNSY.

As Chairman of the Transportation and Housing Appropriations Subcommittee, I have led efforts to improve our nation’s crumbling infrastructure and ensure that Maine’s housing needs are addressed. For Maine’s roads, bridges, airports, and seaports, tens of millions in federal funding will help make urgently needed upgrades and improve safety. Funding will also support housing assistance to low-income families and seniors and aid communities in reducing homelessness among our youth. The Community Development Block Grant program will assist numerous towns and cities in our State.

The Aging Committee I chair has continued its focus on financial security for our seniors. A new law I authored will make it easier for small businesses to offer retirement plans to their employees. Our Aging Committee’s Fraud Hotline fielded more than 1,200 calls this year. Congress passed a new law to crack down on robocallers who are often the perpetrators of these scams. And a new law I authored will expand the IRS’ Identity Protection PIN program nationwide to prevent identity theft tax refund fraud.

At the end of 2019, I cast my 7,262nd consecutive vote. In the New Year, I will keep working to deliver bipartisan solutions to the challenges facing Maine and the nation. If ever I can be of assistance to you, please contact one of my state offices or visit my website at www.collins.senate.gov. May 2020 be a good year for you, your family, your community, and our state.

Sincerely,

Susan M. Collins

Troy D. Jackson
President of the Senate

THE MAINE SENATE
129th Legislature

3 State House Station
Augusta, Maine 04333

January 2, 2020

Dear Residents of Washburn,

Thank you for the opportunity to serve again as your State Senator. It is a true honor to represent you, your family, and our area in the Legislature.

This session, my colleagues elected me to serve as President of the Maine Senate. In this new role, one of my first acts was to change the seating in the Senate Chamber so that Democrats and Republicans would now sit side-by-side together. I knew that if we wanted to accomplish great things for our state, we would need to work together to do so.

This past year, my colleagues and I successfully took on Big Pharma and won. We passed a reform package to lower the outrageous costs of prescription drugs while also improving reimbursements for rural hospitals in our state. I was also proud to sponsor a new law that will allow a potato processing facility to be built in Washburn. This law will create new jobs and spur investment in Aroostook County while promoting Maine produce. Lastly, we passed a budget that doesn't raise taxes and actually provides \$130 million in property tax relief.

This is only a small sampling of some of the things we were able to accomplish last session. As always, I know there is more work to do to make Maine a great place to live. I promise to continue that fight when the next legislative session begins in January.

If you have other concerns or ideas for legislation, my door is open. Please feel free to call or email me anytime. You can also go to www.troyjackson.org to find out more about what I am working on in Augusta or sign up for my newsletter.

Sincerely,

A handwritten signature in cursive script, reading "Troy Jackson".

Presque Isle, ME 04769
Cell Phone: (207) 227-8756
Dustin.White@legislature.maine.gov

Dear friends and neighbors of Washburn,

It is indeed an honor to serve as your State Representative for House District 146. I know the importance of representing our district, and I continue to be encouraged by those who have reached out to me for various needs or concerns that I can assist with at the state level. I urge all residents to continue to stay engaged and informed as we try to do what's right to improve our lives and the lives of our neighbors.

A highlight from the last regular legislative session saw over 300,000 qualified Maine homeowners receive checks for a minimum of \$100 through the Homestead Exemption. While these checks are a good step in the right direction, I continue to believe both property taxes and income taxes should be lower. That will help all Maine families grow and prosper.

As we work toward adjournment of the second regular session, I'm enjoying my role serving on the Transportation Committee. I will continue to work hard at making our roads and bridges a priority, because transportation is vital in all of our lives. A well-built and well maintained infrastructure is key to economic growth for our state and I want to ensure our district is well represented with that in mind.

I continue to send weekly updates via e-mail and Facebook throughout the year regarding current state and legislative news. If you wish to receive these updates, please contact me by phone at 207-287-1440 or by email at Dustin.White@legislature.maine.gov

Again, thank you for the opportunity to serve you in the Maine House of Representatives.

Sincerely,

Representative Dustin M. White

Town Manager's Report

Once again I start my letter by saying, "What a busy and productive year it was last year!" Some days it seems hard to just keep up with it all. I certainly could not be doing this if I did not have the support of my office co-workers and the department heads. I may repeat myself constantly, but I can't say enough how much help it is to me to have Adam and Bev in the office. This past summer Margaret fell and broke her leg so we have been without her since August. We miss her and hope that she will be able to join us back in the office very soon.

Looking back over the past year, here are just a few of the things that we worked on:

- The most exciting news for this town is the construction of the Penobscot McCrum Potato Processing Facility. This was a long time coming but it is actually here! The facility is investing approximately \$80,000,000 (yes, that is 80 million dollars) into our little town! Penobscot/McCrum plan on providing approximately 100 jobs and are still planning for a June 1, 2020 start-up date. This endeavor will not only change our town for the better, it will revitalize it!
- The re-valuation was finally completed after many months of diligent time and effort. Maine Assessment & Appraisal Services did an outstanding job. The re-valuation has affected taxpayers differently as this is the first time it has been done in almost 20 years. The last re-valuation took place in 1991. Some residents experienced an increase, some a decrease, and some stayed about the same. All in all, it was something that could not be put off any longer and in the end will benefit the overall good of the town and the townspeople.
- We received a \$500,000 CDBG Grant along with a \$70,000 MDOT Municipal Partnership Grant. This provided us with the means to launch the storm drain project from Porter Street down to the Salmon Brook Stream. This project is still underway. It is going out to bid at the present time and hopefully will resume progress as soon as the snow is gone.
- We received a sidewalk grant that Bev had worked on several years ago that did not get funded at that time. I re-submitted Bev's initial work and this time we received the funding! This money will provide us with the means to install new sidewalks down School Street, a crosswalk to cross Main Street and more sidewalks that will continue down to the Rec. Department. A new sidewalk will also be created in the front of the Town Office and continue down to Woodman Street. This will not be completed until the summer of 2021. Kudos to Bev on this one for all of her hard work on this project.
- I continually believe that everyone needs to collaborate and work together to make things happen in our town. I have been so thrilled to see so many people in our town come together to get things done. Marcie at the Rec Department is working with the Library to offer kids the Lego Club. She has also joined forces with the school to provide "Friday Fundays" for Washburn residents. This is helping immensely with the daycare challenges we are currently working to fix. This has become a huge hit. Another area of collaboration is the Washburn high school students who are volunteering with different organizations in town, as well as our town departments. The students have discovered their love for volunteering and helping others as a result! The Fire Department continues to partner with the school at various times throughout the year, offering educational activities and learning opportunities for students. Lastly, we now have Amanda Baker from the Police Department visiting the school on a weekly basis. At a minimum she is there to make a connection with students, offer a friendly smile, and say good morning as students arrive on a Friday morning. On the other hand, she is teaching anti-bullying and educating students on how to treat each other better. *Working Together Works!!!*

- With the help of a Brownsfield grant, we were able to clean and renovate the 1275 Main Street Property (Washburn Petroleum). There was no charge to the townspeople for this clean up. This project will be tidied up this summer. There is another building on Hines Street that will be removed as soon as spring arrives. There were also several other properties that were put out for bid and sold.
- McManus, Church & Pleasant Streets were all freshly paved this year. The New Dunntown road to the Wade line was supposed to be paved but has not been finished yet. That will be done this year along with numerous other streets in town.
- Every building has now had all of the lights changed to LED's and we have installed heat pumps in the Town office and the Library. We were able to do this with the help of the Efficiency Maine rebate incentives and the Nature Conservancy Grant. That covered a majority of the costs and we are seeing great savings! Also, the streetlight conversion has taken place so all of the streetlights are now LED. This alone has provided the town with a savings of nearly \$1,650 per MONTH!!!
- In 2018 the Town of Washburn was awarded the Opportunity Zone for oppressed communities. With this award, we have formed an Opportunity Zone Fund with Mr. Brien Walton JD, EdD, from Husson University who will help us find investors to put money into this town. While concrete plans have not yet been made, we are working closely together to find the best way to get the most out of this endeavor to help the town in the best possible way.
- The other half of the roof at the Pines Health Center was shingled this past fall. We are very fortunate to have Pines leasing that space from the town. They now see patients for 4 full days of the week which is convenient and beneficial for the people in town, especially the elderly. We are grateful for the services they provide!
- The town office will be getting a face lift in the spring as we start to do some renovations to the building. We had hoped to start last fall but that didn't happen, however, we are now first on the list. The building is in dire need of a little tender loving care. We will be replacing windows and the siding.
- One more thing I would like to add is that this year will mark 40 years that Washburn has had the Washburn August Festival. 40 Years!!! That is a huge accomplishment as it has taken a great deal of hard work, planning and dedication from so many townspeople in the past 40 years. This year is going to be a look back at the entire history of farming for Perham, Wade & Washburn. Please consider having a voice and a helping hand in this upcoming Festival.

In closing I would still like to reiterate what I said last year. I love my job and I love the people in this town. None of the achievements listed above could have been done if I did not have a wonderful group of people to work with. To my office co-workers, all of the different town departments and the Town Council, I cannot thank you enough for your constant support all year long... even when I do seem to bring some crazy ideas! I look forward to this upcoming year and hope to make as much progress as this past year.

And, don't forget.....feel free to stop by anytime.

My Door is Always Open!!

Respectfully submitted,
Donna Turner
Washburn Town Manager

WASHBURN FIRE DEPARTMENT

The Washburn Fire Department remains a leader in providing the highest level of fire service to citizens in the towns of Washburn, Wade, and Perham. The department has 15 volunteer firefighters, with over 70% trained to the firefighter I or firefighter II certification. Washburn operates six pieces of fire suppression apparatus plus one rescue truck equipped with the Jaws of Life; two brush trucks for wildland fire suppression; and, with the collaboration of the Washburn Snowmobile Club, the snowmobile and rescue toboggan - making our well-maintained trails safer for all users.

FIRE CHIEF

Nathan Allen
540-3707

EMAIL:
nateallen58@hotmail.com

EMERGENCY SERVICES

Washburn Fire Department provides a wide range of emergency services including fire suppression, hazardous materials response, water rescue, wild-land fire suppression, vehicle extrication, plus public assists and mutual aid to our surrounding communities. Washburn Fire Department also provides fire safety public education to all ages, which is the front line for keeping citizens safe.

STAND UP WHEN THE SIRENS CALL

It takes training, hard work, and courage to be amazing; but it can also be the most satisfying and rewarding thing you ever do. Becoming a volunteer firefighter, you will enjoy a sense of accomplishment, achievement, and pride knowing you made a difference.

Washburn Fire Department is always seeking men and women to join a rewarding obligation to their community. All of your training will be provided, and once your training is complete, you will be prepared to respond professionally as part of your community's first line of defense in a time of crisis.

If you feel the desire to serve your community, and want more information, please contact the Washburn Fire Chief.

Washburn Fire Department

Gregg Sperry

Assistant Chief

207-554-7459

GCS@FWWebb.com

As Fire Chief of the Washburn Fire Department I am pleased to present this annual report on behalf of the members of the WFD who unwaveringly serve the residents of Washburn, Wade and Perham. Being a volunteer firefighter involves sacrifice and dedication to the training and mission - and we hold those who answer the call in the highest esteem.

After a tremendous amount of work, I am pleased that WFD will be able to offer the junior firefighter program. This program is an important key to attracting people into emergency services. Reaching out to people when they are young has long range effects. Encouraging youth to take part in the emergency services is extremely beneficial to the community. Some of the benefits include:

- ✓ Allowing youth to gain insight and interest in becoming long-term members of the emergency services
- ✓ Increasing awareness among youth about volunteering and supporting the fire and emergency services
- ✓ Providing the department with additional help in accomplishing tasks
- ✓ Instilling valuable life skills such as teamwork, responsibility, and cooperation in our youth
- ✓ Leadership development for America's youth - who are tomorrow's leaders
- ✓ Educating parents and mentors on the importance of encouraging volunteerism

The junior firefighter program gives our youth the chance to learn about local fire, rescue, and emergency medical services response organizations in a safe, controlled, educational, and fun way while providing Washburn Fire Department with an excellent recruitment mechanism.

Focusing on safety, Washburn Fire Department was able to upgrade 2 important pieces of equipment. The first one is a thermal imaging camera. The thermal cameras measure infrared radiation – a type of radiant energy that is invisible to the human eye, but detectable in the form of heat. The benefit of a thermal camera for fire protection lies in the ability to detect the temperature that occurs just before a fire starts and in identifying hidden hot spots.

The second piece of equipment is an MSA gas meter. The gas meter measures oxygen, carbon monoxide, hydrogen sulfide, and others with low explosive limits. Each of these chemicals is potentially dangerous to civilians and to our first responders. Monitoring is no longer an option; it is a safety requirement that protects citizens and firefighters.

A wonderful working relationship with the citizens of Washburn and with Town officials has continued to move the Washburn Fire Department forward. I cannot express my appreciation enough for every member of the Washburn Fire Department. The commitment and dedication each member shows is vital in keeping our community safe.

Nathan Allen

Chief of Police
Cyr Martin

Hello all, it's good to be back in Washburn. Let me tell you a little about myself. I am Sergeant Jarad Carney of the Washburn Police Department. In June of 2019 I came over to the Washburn Police Department after almost 10 years with the Ashland Police Department. I have been a Police Sergeant since April of 2013. In my younger years I moved to Washburn with my parents when I was in the 3rd grade. I attended the old Washburn Elementary School and then on to Middle and High School in Washburn until my Sophomore year when I moved to Ashland. It has been great to see so many familiar faces and friends from the past, and I thank you all for the warm welcome back into this great community. For those that do not remember, If you were ever walking across the old Mill Pond bridge in the 1980's/early 90's and saw a kid fishing in the brook below... that was probably me. Enough about me, let me tell what has been happening with the Washburn Police Department in 2019.

In 2019 the Washburn Police Department once again saw changes. Chief Rob Thibeault resigned in March and Chief Cyr Martin of the Ashland Police Department stepped up a couple weeks later to fill that role, taking on Washburn in addition to the Ashland Police Department. Officers Kyle Rider, Dale Campbell, Corey Larlee and Brandon Doughty did a great job of taking on extra shifts until I came on in June. Shortly after, Office Kyle Rider was accepted into the Maine State Police and attended the Maine Criminal Justice Academy as a Maine State Trooper in the late summer. We all wish Trooper Rider the best of luck.

The summer of 2019 saw some new faces in the Police Department. Officer Amanda Baker came onboard in June and is now Washburn's newest full-time officer. Amanda has made great progress and has done some amazing work with the schools. Officer Ed Dubie also joined us part time. Officer Dubie works full-time for the Fort Fairfield Police Department and part time for Washburn. Officer Matt Brown from the Presque Isle Police Department has joined Washburn as well on a part time basis. Both Officers Dubie and Brown are full-time academy certified officers. In December Officer Dale Campbell decided it was time to retire from the Washburn PD. We wish you all the best and will miss you Officer Campbell.

Chief of Police
Cyr Martin

During 2019, as many of you already know, Washburn PD was very busy and responded to many significant calls, some of which received local media attention. Many of these cases are directly related to an increase in police coverage. Washburn now has more hours of police coverage with an officer on duty than has ever been before. With this increase the police department has responded to a lot more calls and investigated a lot more crimes which amount to almost double that of 2018. As with many towns throughout Maine, drugs have become a dire concern. With the drugs come other crimes such as burglary and theft. In 2019 Washburn PD responded to 119 Drug/Narcotic related incidents, 59 cases of Theft, and 15 reports of Burglary. Of these there was a reported \$57,795 worth of property stolen from Washburn residents in 2019. Of this \$57,795 Washburn PD Officers were able to recover \$39,338 of that stolen property. These are significant numbers and when looking at the numbers for the year in total, I see a decrease in crime the last few months of 2019. With the statistics I have gathered for Washburn PD in 2019 I am glad to say that crime is now on the decrease and that trend appears to be continuing. The extra police presence in Washburn has resulted in the arrests of 59 individuals in 2019 and is putting pressure on would be criminals as well as deterring some from crime altogether. See the list of calls for a more detailed look at what was going on in 2019.

I speak for all the Washburn Police Department when I say that we look forward to serving you in 2020, and 2020 is going to be a great year with greatly anticipated improvements and advancements in community policing and coverage within this amazing little community of Washburn, Maine. In closing, I would like to thank the town council and town manager, Donna Turner, for their continued outstanding support for the Washburn Police Department. Also, a special thank you to our Chief, Cyr Martin, who stated to me that he wants to make sure that the officers are taken care of and selflessly took a pay cut in order to put more money into the department budget. Don't forget that my door is always open!

In Your Service,

Sgt. Jarad Carney
Washburn Police Department

Code Enforcement

It is hard to believe that another year has come to an end. In 2019 the Town had 12 building permits and 7 plumbing permits issued. We had a new processing plant as well as some farm structures, a number of garages, and storage sheds. Along with that the Planning Board approved a new home daycare. On the enforcement side of things we had 5 properties we worked on for complaints and violations and actually got one of the properties completely cleaned up. Unfortunately sometimes winning a judgment means the Town has to pick up the expense to clean up the mess and hope that liening the property can someday recoup the costs. This adds a great financial burden to the Town, as there is no way to know what the judgment and costs will be, making it impossible to budget for. I also applied for two home septic system grants and was awarded funding for the projects. I hope to have them installed this summer.

I encourage people to call me anytime at the office if you have questions before starting a project. A popular item in the past few years are pre-built sheds. Most people believe that a permit is not required, but that is not the case. A permit is required. Typically, repairs and maintenance do not require a building permit. When a new structure or part of a structure is expanded on, that is the trigger for a permit.

Grounds & Maintenance Department

As in years past, when summer starts there is a lot of grounds work and also a lot of cemetery plot mapping. Like every year the outside work starts before school gets out and ends long after school goes back in. We have roughly 18 properties we work on including the 5 cemeteries. I want to thank Roger Hewitt for helping during the spring and fall. When the students were released for summer break, Brandon Cropley and Patrick Saucier came on board and worked through the summer for the Town. I want to thank them for their hard work as they did a great job. I also want to thank Harold Easler for his help and cooperation with burials in the cemeteries. We had 15 burials last year. Also on occasion we would receive help from Doug Everett who worked for the Town of Wade. Doug always was offering a helping hand with snow removal and other situations that came up. Doug passed away recently, and he will be greatly missed.

Last year we worked on a number of projects. Some of the projects are the library heat pump as well as finishing the town office, the rec center and the library with LED lighting. On two of our projects we were able to apply for two rebates on each fixture which will give us a large payback on the upfront costs.

In closing, I also want to thank Donna and the council members for their cooperation throughout the year. Thank you.

Respectfully submitted,
Adam Doody

HIGHWAY REPORT

This has been a busy year for the highway department. Here are some of the projects our department worked on this past year:

--The spring brought with it some excitement with road flooding. We had to utilize a field road from Hilt Street to Gardner Creek Road as a temporary emergency route. There was a washout on the Annis Road which left a home isolated for two days until the water receded so that we could repair the roadway and replace the washed out culvert.

--A drainage project was done on the Caribou Lake Road to straighten out the ditch line. This allows for better storm water runoff. We also paved the outer edges of the shoulders along the roadway to prevent deterioration.

--We ditched and did some reshaping to allow for proper runoff on Church, Pleasant, and McManus Streets. Trombley's then came in and paved with hot top which was quite an improvement.

--Hot top was also supposed to be put on the New Dunntown Road by Trombley's, but with several delays the weather got too cold and the work did not get done. This is supposed to be the first project in the spring of 2020 once the weather is right for it. The money appropriated for this project was rolled over from last year, so it will not be an added expense in this year's budget.

--The drainage project which was scheduled to be done from Porter Street down to Salmon Brook has been put off until next year. The bids for the project came in higher than expected due to the fact that contractors were already lined up for other work. We did go ahead and get the necessary permit from DEP so that is ready. In further preparation, we did a drainage project in the area where the runoff will enter Salmon Brook, so that is completed. Hopefully the bids will come in lower this spring and the project will be completed in 2020.

--After we were done with the above projects, we went to work putting up our winter salt and sand. Our department worked with Doug Everett from the Town of Wade, and Chink Maynard also drove truck, so we were able to get this done much quicker. It was a great help having the extra trucks.

Our new plow truck has been a big asset and we need to continue to work on replacing some equipment, as a lot of what we have requires maintenance and is prone to breakdowns. It is our hope to be able to continue replacing equipment as we go along.

In the upcoming year we plan to do a large amount of road work on streets in town, but still keeping up with what needs to be done on the country roads. We have a sidewalk and crosswalk project planned on School Street and Main Street that will be completed in the summer of 2021.

Far too often things go unsaid. I would like to take this time to thank Bill and Steve for the work they do for the highway department. I would also like to thank the other departments for their help throughout the year. Doug Everett from the Town of Wade was always willing to help. Doug is greatly missed by all who knew him. Thanks to all who help make this town a nicer place.

Harold Easler, Highway Foreman

PARKS AND RECREATION DEPARTMENT

Another year has come and gone very quickly. Throughout the year there were a variety of programs that were offered.

During the winter months there was basketball for children in grades K-4. The children worked on their skills through a variety of different drills. The 5-6th grade basketball program consisted of a season full of games against surrounding communities. Both the girls and boys teams participated in the County Tournament, the boy's tournament was held in Caribou and the girls' tournament was held in Presque Isle.

A new program that started up in December is Friday Fun Day for children in grades 1-6, which is held at the Elementary School. Each Friday the children participated in an activity such as cross-country skiing, sledding, watching a movie, arts and crafts, and activities in the gym.

Another program that was offered was the Basketball Hot Shot competition. Thank you to Mrs. Gardiner for allowing me to hold the local competition in her Physical Education classes. The top three girls and boys in each age division competed in the regional competition that was held at the Caribou Wellness Center.

During the spring there was indoor soccer that was offered to children in grades K-8. There was also a Lego club for children in grades 4-6. The club met every Wednesday for six weeks at the library. Each week the children used their creativity to build things out of Legos.

During school vacations the children partake in a variety of field trips such as: bowling in either Presque Isle or Caribou, rollerskating at the Melody Roller Rink in Caribou, going to the movies at the Caribou Cinemas, swimming at Gentile Hall or the Limestone Pool, iceskating at the Forum, snow tubing at Big Rock, utilizing the inflatables at Caribou Wellness Center, and the trampoline park in Orono.

Our summer program staff consisted of Aidan Churchill, Caleb Thompson, Justin Davis and Kassie Farley. The programs that were offered were tee-ball, minor league baseball (coached by Nick Nadeau), major league baseball, arts and crafts, cooking, basketball, soccer, track and field and swim lessons at Gentile Hall. Every Friday during the seven week summer program the children had the opportunity to attend field trips. The trips that offered were: Playland Adventures in Bangor, Hartt Island in Fredericton, Kings Landing in Fredericton, Jellystone Park in Woodstock, Paradise Island in Grand Falls, Hiking at Nordic Heritage Center, and disc golf at Maple Ridge Disc Golf in Westfield.

During the fall there was soccer for grades K-6. Grades 1-2 and 3-4 program experience playing games against other communities such as Ashland, Easton and Mars Hill. The 5-6th traveling team participated in round robins each Saturday for six weeks and ended with the County Tournament which was held in Presque Isle.

To celebrate Halloween there was a Halloween Egg Hunt for children in grades K-3. They each brought a flashlight and a bag to put their eggs in. There were 1,000 eggs scattered around the soccer field and playground area.

During the holiday season there was ornament making at the Recreation Center. Each child had the opportunity to make four ornaments to give to either a family member or a friend. There were 40 children who participated in this program.

There is a very active senior citizen group. We meet once a month at the Recreation Center. We have had a variety of speakers or just get together to have lunch or breakfast. In August, we have made it a tradition to invite Easton and Ashland recreation departments for a barbeque at Thomas Brewer Park. There is a Bone Builders program which meets on Mondays and Thursdays from 10:00-11:00 September through May at the Recreation Center.

Respectfully Submitted
Marcie Barbarula
Recreation Director

Washburn Memorial Library 2019 Annual Report to the Town of Washburn

Hours: Tuesday: 1-7; Wednesday – Friday: 10-4:30, Saturday: 9-12

Every corner of the Washburn Memorial Library is being used and enjoyed. The building provides space for the Girl Scouts to meet, the knitters from the Knitting Studio to knit, the toddlers to hear a story and do some crafts during Toddler Story Time, the elementary and high school students to come for a Saturday craft time, the book club to meet, the Summer Reading Program children to learn more about space, the first-time computer people to begin to feel comfortable with using a computer, and the Lego group to explore the amazing versatility of LEGO. The WML attendance in 2019 is estimated at over 4,500 visits. The **Barbara Porter Room** had over 700 people use that beautiful room this last year! You can visit our library website at www.washburnlibrary.com to keep current with what is happening at the library. Our Facebook page is also a great place to visit.

Library services are free and include high-speed Internet access, computer use, ILL(Interlibrary Loan), Maine Digital Library, iPads, community events, CloudLibrary with library card, Toddlers Story Time, HeritageQuest or Ancestry Library to explore your background, and OPAC (online public access catalog) to search for your favorite read or movie.

Ye Olde Book Shoppe became a source of revenue for the library through shoppers' generous donations. It is regularly open Tuesday evenings from 6 to 8 pm and anytime during the day that the library is open. The Board of Trustees has done a great job of keeping it updated and in order for your shopping pleasure. The money from the book store is going to a new children's area. The Saturday during August Festival saw over 60 people shopping.

The Lego grant provided the library with money to purchase enough Lego pieces to offer a Lego group for children from grades 4, 5, and 6. In cooperation with Marcie from the Rec center, this group enjoyed the adventure of LEGO. The group met for 6 weeks in the spring with 8 children participating. A big thank you to Marcie for heading up this project and also involving some high school students as volunteers and making this program a huge success. The United Way of Aroostook provided each student with a Lego set upon completion of the six weeks.

In preparation for the **Summer Reading Program** several of the elementary classes came to visit the library. SRP ran for 5 weeks with Emerson Turner and friends facilitating a weekly get together for those children participating. SRP revolved around space. Those who completed the program were eligible for some great prizes, a Nook, an iPad keyboard and an iPad cover. Eight children took part in this program.

In the fall all the lights were replaced with LED lights which have really brightened up the building. A heat pump was installed where the air conditioner was. Both of these projects will hopefully lower our electricity and heating bills. Jared Leadbetter from the State library came and installed a device that will count every time someone logs on to our WiFi. It will be a useful tool for reporting to the state and help the library continue to receive its WiFi connection.

Girl Scouts met 25 times during the year with an average of 6 girls attending. **Toddler Story Time** met 17 times with an average of 6 children attending. Thank you to Laura Hale and Courtney Howe for facilitating this program. **The Knitting Studio** began meeting Tuesday evenings with an initial group of 14 women and children. This group continues to meet weekly from 6 to 8pm. Come to knit, come to learn, come to share. **The book club** met during the winter months and disbanded in the summer from lack of interest. Mrs. Sines **1st grade class** has been coming monthly to the library since school started up again this fall. The students get to browse the library for books of their choice and have a story.

The library had 3,819 patron visits and 2,649 people who logged on to use the computers' internet. Weeding and inventory continue with 644 items added to the collection and 3,466 items deleted. The current number of items in the library are 17,202. During the year 2,478 items were checked out by the patrons.

This fall the board decided to change the hours the library was open. The new hours are at the top of the page. We have received our 501(c)(3) status which allows us to apply for some grants that otherwise we would be missing out on. Thank you to Jeremiah McIntosh for obtaining and supporting our 501(c)(3) status. The library will be applying for another Stephen King grant to help with getting the new childrens' area complete.

Thanks to the board and many, many volunteers who make the library a vital part of our community. Also a big thank you to WDHS's woodworking club for their work and continued support.

Respectfully submitted,

Lois Walton

Salmon Brook Historical Society of Washburn

Washburn, Maine 04786

November 2019

Dear Friends and Members of the Salmon Brook Historical Society,

Another successful year has gone by at the Benjamin Wilder House Museum and the Aroostook Agricultural Museum. We are grateful for the continued support of our communities, business leaders, members and friends for making it such a great season.

Our current officers are as follows: President - Larry Hallowell; Vice-President - James Reed; Secretary - Patty Reed; and Treasurers - Rita Kingsbury and Mavis Churchill. Serving on the Board of Directors are Bill White, Dennis Harris, and Wanita Hallowell.

We had at least 650 people visit the museums this year. Many were from private tours, including the Maine Agri-Women, Farm Credit East, and the Mars Hill senior citizens, as well as local schools. Students from Mapleton, Presque Isle and Washburn toured through the house and barn. It's always good to see young people sharing their excitement for their ancestors and how they lived.

In June Farm Credit East chose the museums for the United Way Volunteers for a Day project. Eleven volunteers worked for three and a half hours helping to clean the gardens, clean the Umphrey Room, sweep and dust in the barn, clean various rooms in the house, and scrape and paint some places on the outside of the house. They also removed the partitions and pictures in the Gallery to be cataloged for the Gallery Project. They did a wonderful job and we really appreciated their help.

Jill Fox created the "Northern Lights Over the County" 90"x102" raffle quilt. The winning ticket was drawn at our Annual Baked Bean Supper in September. Steve Sager of Caribou received the beautiful quilt.

The 7th Annual Quilt Show and Tea was again a great success and continues to be a major fund raiser for the museums. This year we set up temporary displays of Vintage Bridal dresses in the Gallery and a 1950s apron collection in the kitchen for the duration of the summer. Four of our photocopied scrapbooks were also available in the Gallery for the perusal of visitors. The show found the barn, house, and yard filled with a beautiful array of quilts, "just like walking through a rainbow", as one supporter described it. When examining the quilts in the barn, one had to look up to see quilts with stained-glassed patterns and some with patterns on both sides. There was an atmosphere of joy and remembrance throughout the day. This year potted plants were donated by Andrea Smith of Mapleton. Flowers and smaller plants came from Wanita Hallowell, Rita Kingsbury, Myrlene Averill, and Tracy Whitten. Once again we had a successful Craft Sale as part of the event. A door prize of a ticket for next year's show was drawn for each session. Despite having to raise the price for tickets this year, attendance was full for each session. We are again so appreciative of the "Stitchin 'N' Givin" group for their many beautiful quilts which were on display and the volunteers who brought food and manned the event. Just a reminder that Quilt Show books are sold at the cost of \$30 which includes photos of quilts displayed. Let Rita Kingsbury know if you would like one. Next year's Quilt Show and Tea will be on August 2nd; so please mark it on your calendars. Tickets for the show will be available in the spring at the price of \$15 per person and can be purchased by contacting Wanita Hallowell at 863-398-0311 or Rita Kingsbury at 207-429-9359. We would love to see you there. We will have another Craft Sale then and would welcome any donations towards that sale.

This year the August Festival Committee was able to commission a scaled replica of the Vietnam Memorial to be placed on the soccer field behind the museum barn during the festivities. The museums were open from Wednesday to Sunday to accommodate visitors to the Wall and to encourage them to visit the Veterans Room. On Saturday, despite the rain, we had many visitors to the museums. The Vintage Wedding display continued to be a big draw.

The Harvest Baked Bean Supper, put on with the assistance of the Washburn Rotary Club and support of many local businesses and farmers, was held on September 14th. Door prizes were given out and several items were also raffled off. We are grateful for the help of town manager Donna Turner and her granddaughter Emerson Turner who helped to serve and clean up at the supper. We are also grateful for the support, hard work and time given by the Rotary Club members.

We continued our association with WAGM and "Grampa's Attic." Watch for segments on the Rosser and the Vintage Wedding display, among others, during the news or on WAGM's website.

Due to our successful fund raising efforts and generous contributions from supporters, we were able to: purchase more chairs for the barn to be used for events; scrape and paint the side of the house with the help of Farm Credit volunteers; purchase a dehumidifier for the basement; have McGlenn's Electric repair the wiring in the house; close up a window in the Veterans Room and in the barn; have Charlie Durost paint one side of the barn; install two new columns on the porch; have trees removed by Thompsons Tree Service with help from Country Farms Market. This past winter the flag pole out front broke in half and we opted to have the flag mounted to the house and removed the old pole base. The sign for the Salmon Brook Historical Society was moved to the front of the house.

Over the years we have received many donations to the museums. Our inventory lists thousands of items. In an effort to be able to rotate items and to better display hidden items in the barn and house, we are endeavoring to add a 28 foot addition to the back of the small barn currently housing the Veterans Room, Gallery and shed. This project will enable us to have space for storage allowing us to rotate inventory, have room for a library area for the scrapbooks and yearbooks, a designated place to display the Rosser and other equipment that should be under cover, to open up space in the barn where items are crowded and out of sight, and hopefully allow us to create a space specifically designated for future exhibits. We are hoping to finish this project next spring. We are in need of financial assistance towards this project and remind you that any contributions to Salmon Brook Historical Society are tax deductible.

We are grateful to those people who spend many hours helping at the museums and its grounds, supporting the events, giving tours, and assisting wherever they can. As always, we welcome more help to keep the museums up and running.

Respectfully submitted,

Patty Reed, Secretary

Patty Reed, Secretary

**RECREATIONAL VEHICLE REPORT
REGISTRATIONS FROM 2/1/19 TO 1/31/20**

SNOWMOBILES	108
NON-RESIDENT SNOWMOBILES	3
ATV'S	193
NON-RESIDENT ATV'S	4
BOATS	81

All law books and fee schedules are available at the town office.

DOG LICENSES ISSUED FROM 2/1/19 TO 1/31/20

CATEGORY	FEES	TOTAL
MALE/FEMALE	\$11.00	10
NEUTERED MALE/SPAYED FEMALE	\$ 6.00	112

MAINE STATE LAW READS AS FOLLOWS:

Owners or keepers of dogs over six months old must procure a license annually before January 31st of each year. The tag issued with each license must be securely attached to a collar and worn at all times by the dog for which the license was issued. All dogs registered after January 31st are subject to a late fee of \$25.00, in addition to the license fee.

KENNEL LICENSES

When the number of dogs or wolf hybrids kept over 6 months of age does not exceed 10, the fee for licensure of the kennel is \$40.00 and, in addition, \$2.00 for each license as a fee for recording and making the monthly report required by the department.

INDEPENDENT AUDITOR'S REPORT

To the Selectmen of the
Town of Washburn, Maine

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of Town of Washburn, Maine as of and for the year ended January 31, 2020, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Washburn, Maine, as of January 31, 2020, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, the budgetary comparison schedule, the schedule of town's proportionate share of the pension liability and the schedule of town contributions, as listed in the table of contents, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Management has omitted the management's discussion and analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of the financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by this missing information.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Washburn, Maine's basic financial statements. The combining and individual nonmajor fund financial statements, are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The combining and individual nonmajor fund financial statements are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual nonmajor fund financial statements are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated February 20, 2020, on our consideration of the Town of Washburn, Maine's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Town of Washburn, Maine's internal control over financial reporting and compliance.

TOWN OF WASHBURN, MAINE

RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES AND CHANGES IN FUND BALANCES OF GOVERNMENTAL FUNDS TO THE STATEMENT OF ACTIVITIES FOR THE YEAR ENDED JANUARY 31, 2020

Net changes in fund balances - all governmental funds (page 6)	\$	66,682
--	----	--------

Amounts reported for governmental activities in the Statement of Activities are different because:

Governmental funds report capital outlays as expenditures. However, in the government-wide statement of activities and changes in net assets, the cost of those assets is allocated over their estimated useful lives as depreciation expense. The amount of capital assets recorded is as follows:

Road improvements		90,780
Street lights		54,778
Van		21,900

Payment of long-term debt principal is an other financing source in the governmental funds, but the proceeds increases long-term liabilities in the Statement of Net Position		56,656
---	--	--------

Depreciation expense		(99,236)
----------------------	--	----------

Pension expense		34,919
-----------------	--	--------

Change in net position of governmental activities (page 4)	\$	<u>226,479</u>
--	----	----------------

ANNUAL TOWN MEETING
MARCH 16 AND 17, 2020

WARRANT

To: **HAROLD D. EASLER**, Resident of the Town of Washburn, County of Aroostook, and State of Maine

GREETINGS:

In the name of the State of Maine, you are hereby required to notify the voters of the Town of Washburn, in said County of Aroostook, qualified by law to vote in the Town affairs, to meet at the WASHBURN MUNICIPAL BUILDING in said Town on MONDAY, THE 16th DAY OF MARCH, 2020, A.D. AT 1:00 O'CLOCK IN THE AFTERNOON (Eastern Standard Time), then and there to act on Articles 1 and 2.

ARTICLE 1. To choose a Moderator to preside at said meeting.

ARTICLE 2. To select all Town Officials as required to be elected by secret ballots; namely, two (2) members to serve on the Washburn Town Council for three-year terms, three (3) members for 3-year terms, and one (1) member for one-year term to serve on the Board of Directors for Maine School Administrative District #45.

THE POLLS SHALL OPEN AT 1:00 O'CLOCK IN THE AFTERNOON ON MARCH 16, 2020, AND SHALL CLOSE AT 8:00 O'CLOCK IN THE EVENING ON MARCH 16, 2020. **THE MEETING SHALL THEN ADJOURN AT 8:00 P.M. AND RECONVENE AT THE WASHBURN DISTRICT HIGH SCHOOL AT 7:00 P.M. ON TUESDAY, MARCH 17, 2020, TO CONSIDER THE REMAINING WARRANT ARTICLES.**

(Please Note: Budget Committee recommendations for various department budgets are for the gross budget minus anticipated departmental income, if any. Where applicable, the Warrant Articles reflect the net budget request.)

ARTICLE 3. To see what sum the Town will vote to raise and appropriate for General Government/Administration.

(BUDGET COMMITTEE RECOMMENDS \$187,887.00)

ARTICLE 4. To see what sum the Town will vote to raise and appropriate for police/law enforcement services.

(BUDGET COMMITTEE RECOMMENDS \$240,940.00)

ARTICLE 5. To see what sum the Town will vote to raise and appropriate for the Washburn Fire Department.

(BUDGET COMMITTEE RECOMMENDS \$95,757.00)

ARTICLE 6. To see what sum the Town will vote to raise and appropriate for the Highway Department/Public Works.

(BUDGET COMMITTEE RECOMMENDS \$476,592.00)

ARTICLE 7. To see what sum the Town will vote to raise and appropriate for the Grounds & Maintenance Department.

(BUDGET COMMITTEE RECOMMENDS \$95,931.00)

ARTICLE 8. To see what sum the Town will vote to raise and appropriate for the Recreation Department.

(BUDGET COMMITTEE RECOMMENDS \$80,437.00)

ARTICLE 9. To see what sum the Town will vote to raise and appropriate for the Washburn Memorial Library.

(BUDGET COMMITTEE RECOMMENDS \$55,757.00)

ARTICLE 10. (Under Other Expenses) To see what sum the Town will vote to raise and appropriate for the general protection of persons and property for hydrant protection, street lights, Town insurance, and ambulance service.

**BUDGET COMMITTEE RECOMMENDS A TOTAL OF \$124,756.00 TO BE
DISTRIBUTED AS FOLLOWS:**

HYDRANT PROTECTION	\$58,356.00
STREET LIGHTS	\$17,000.00
TOWN INSURANCE.....	\$30,000.00
AMBULANCE	\$19,400.00

ARTICLE 11. To see if the Town will vote to transfer the remaining Streetlight account of \$1,231.80 into a reserve account to start a Streetlight Maintenance Reserve

(RECOMMENDED: TO TRANSFER THE \$1,231.80 INTO A RESERVE ACCT)

ARTICLE 12. (Under Other Expenses) To see what sum the Town will vote to raise and appropriate for the Town's share of General Assistance.

(BUDGET COMMITTEE RECOMMENDS \$2,000.00)

ARTICLE 13. (Under Other Expenses) To see what sum the Town will vote to raise and appropriate for Town Office Utilities.

(BUDGET COMMITTEE RECOMMENDS: \$15,000.00)

ARTICLE 14. (Under Other Expenses) To see what sum the Town will vote to raise and appropriate for Legal Fees.

(BUDGET COMMITTEE RECOMMENDS \$3,500.00)

ARTICLE 15. (Under Other Expenses) To see what sum the Town will vote to raise and appropriate for Contract Services, Garbage Disposal, Thomas Brewer Park Toilet Facilities, Tax Assessor, Auditor, Maine Municipal Association Dues, and Town Council.

**BUDGET COMMITTEE RECOMMENDS \$50,805.00 TO BE DISTRIBUTED
AS FOLLOWS:**

CONTRACT SERVICES.....	\$27,000.00
GARBAGE DISPOSAL	\$1,200.00
TAX ASSESSOR	\$7,000.00
AUDITOR.....	\$5,000.00
MAINE MUNICIPAL ASSOC. DUES	\$2,255.00
TOWN COUNCIL.....	\$7,500.00
THOMAS BREWER PARK TOILET FACILITIES	\$850.00

ARTICLE 16. (Under Other Expenses) To see what sum the Town will vote to raise and appropriate for the Planning Board/Zoning Board of Appeals for the purpose of training and related uses.

(BUDGET COMMITTEE RECOMMENDS \$500.00)

ARTICLE 17. (Under Other Expenses) To see what sum the Town will vote to raise and appropriate to cover owner-related expenses at the Pines Washburn Health Center.

(BUDGET COMMITTEE RECOMMENDS \$2,500.00)

ARTICLE 18. (Under Other Expenses) To see what sum the Town will vote to raise and appropriate for town maintenance and improvements.

(BUDGET COMMITTEE RECOMMENDS \$15,000.00)

ARTICLE 19. (Under Other Expenses) To see what sum the Town will vote to raise and appropriate for various outside agencies.

**(BUDGET COMMITTEE RECOMMENDS \$8,156.00.00
TO BE DISTRIBUTED AS FOLLOWS:**

CENTRAL AROOSTOOK HUMANE SOCIETY.....	\$3,206.00

SALMON BROOK HISTORICAL SOCIETY	\$1,000.00
NORTHERN MAINE VETERAN'S CEMETERY CORPORATION	\$100.00
CATHOLIC CHARITIES MAINE	\$150.00
MAINE PUBLIC BROADCASTING NETWORK.....	\$100.00

ARTICLE 20. To see if the Town will vote to authorize the municipal officers to make application for and execute any documents related to grants for the improvement of Town functions and for supplies and equipment for the Town departments, and to accept said grant funds if awarded and authorize their expenditure for the purposes specified in the grant. Should any particular grant require matching funds from the Town of more than \$1,500.00, then a Special Town Meeting will be held to obtain permission regarding that grant application and expenditures.

ARTICLE 21. (Under Other Expenses) To see what sum the Town will vote to raise and appropriate for required matching funds for grants received by the Town.

(BUDGET COMMITTEE RECOMMENDS \$1,500.00)

ARTICLE 22. To see what sum the Town will vote to raise and appropriate for the purpose of property cleanups and ordinance violation corrections (either local or state) as required.

(BUDGET COMMITTEE RECOMMENDS \$12,500.00)

ARTICLE 23. To see what sum the Town will vote to raise and appropriate for reclaiming and paving. Location to be determined in the Spring.

(BUDGET COMMITTEE RECOMMENDS \$35,000.00)

ARTICLE 24. To see if the Town will vote to use \$35,000.00 from the unspent 2019 Paving Budget and also \$26,000.00 from the 2019 Highway Road Maintenance Budget to go towards additional paving in 2020.

(BUDGET COMMITTEE RECOMMENDS TRANSFERRING THE FUNDS)

ARTICLE 25. To see if the Town will vote to authorize the Town Council to obtain a line of credit or a tax anticipation loan for the February 1, 2020, through January 31, 2021, fiscal year if the same becomes necessary for the proper functioning of the Town and to cover any cash flow issues that may arise during said fiscal year.

ARTICLE 26. To see if the Town will authorize the Town Council, on behalf of the Town, to sell, lease, and/or dispose of any real estate or personal property acquired by the Town for non-payment of taxes or other Town bills thereon, at such price and under such terms and conditions as the Town Council deems advisable, and to negotiate and execute any and all documents necessary to accomplish any such transaction.

ARTICLE 27. To see if the Town will vote to authorize the Town Council, on behalf of the Town, to sell, lease, and/or dispose of any Town-owned property, either real estate or personal property, at such price and under such terms and conditions as the Town Council deems advisable, and to negotiate and execute any and all documents necessary to accomplish any such transaction.

ARTICLE 28. To see if the Town will authorize and instruct the Town Council to apply and charge all overdrafts in the Town Officers Report for the fiscal year ending on or before January 31, 2021, which overdrafts are not to exceed 7.5% of the original department appropriation total without approval of a Special Town Meeting.

ARTICLE 29. To see if the Town will fix a date when taxes shall be due and payable and set a rate of interest to be charged on taxes unpaid after said date. Tax bills shall be due and payable upon presentation with a 2% discount for payment within 30 days, and interest shall be assessed at the rate of 9% as of November 1, 2020, until paid. Advance payment of estimated taxes shall be accepted before commitment, and no interest shall be paid for unsolicited advance payment or overpayment of estimated taxes.

ARTICLE 30. To see if the Town will vote to authorize the tax collector to enter into a standard agreement with taxpayers establishing a tax club payment plan for property taxes, whereby: (1) the taxpayer agrees to pay eleven (11) specified monthly payments to the Town based on his/her actual tax obligation for current year property taxes; (2) the Town agrees not to charge interest on timely payments made pursuant to the tax club agreement; (3) the Town authorizes the tax collector to accept tax club payments for current year taxes which may be made prior to the tax club payment due date; (4) the tax club agreement is automatically terminated if a monthly payment is not made, and the taxpayer then becomes subject to the same due date(s) and interest date(s) and rate as other taxpayers who are not participating in the tax club; (5) only taxpayers who do not have outstanding tax obligations for prior tax years are eligible to participate in the tax club program; and (6) taxpayers wishing to participate in the tax club for a particular property in the current tax year shall enter an agreement with the Town by a deadline determined by the tax collector as noted on the current tax bill.

ARTICLE 31. (Under Estimated Income) To see if the Town will vote to accept money from the Maine Department of Transportation for Local Roads Assistance Funds in the estimated amount of **\$29,860.00** for the purpose of road maintenance and repairs.

ARTICLE 32. (Under Estimated Income) To see if the Town will vote to accept funds from the State of Maine provided by the Maine State Legislature the following funds (excluding Local Roads Assistance contained in the previous article) are:

1. State Municipal Revenue Sharing
2. General Assistance Reimbursement
3. Veterans Exemption
4. Tree Growth
5. Homestead Exemption
6. BETE Reimbursement

ARTICLE 33. To see if the Town will vote to authorize the Town Officers to spend an amount equal to 2/12ths of the 2021 budget from February 1, 2021, through March 31, 2021. This will allow the Town to operate during the two (2) months prior to the Annual Town Meeting.

ARTICLE 34. To see if the Town will vote to allow the Council to spend funds from the TIF District approved project list pursuant to 30-A M.R.S.A. §§ 5221-5235.

Economic Development:	\$50,500.00
Brownsfield Clean-up Loan:	\$14,304.00
Administration Fees:	\$15,000.00
August Festival:	\$ 2,000.00
Washburn Trailrunners	\$ 1,000.00
Washburn ATV Club	\$ 300.00
Legal Fees for TIF	\$16,000.00
NMDC	\$ 2,579.00
Streetlight Reserve	\$ 2,000.00
Remainder to go to Fire Dept.
